

Dear Potential Volunteer,

Thank you for your interest in becoming an office volunteer at Big Apple Greeter.

Big Apple Greeter is a welcome visitor program. Since our beginning in 1992, we have welcomed more than 90,000 visitors from the United States and all over the world. Volunteer greeters are paired with visitors to show what they know and love about our city and their neighborhoods, thereby enhancing the city's image and enriching the visitors' experience.

Please read through the information and fill in the application accurately and completely. **Please note:** we will need your **email address** and your telephone number must have **voice mail** for your application to be considered.

There are many volunteer positions in the Big Apple Greeter office, including answering email and telephones, processing visitor requests, matching greeter and visitors, special projects, website work, and more. Each position has a different minimum time requirement and requires different skills.

We will contact you after we have reviewed your application to let you know if we would like to interview you at this time, or hold your application on file for the future.

We appreciate your interest and share your enthusiasm for our great city. We hope to speak to you soon and include you in our program.

Sincerely,
